Mixed Team Events:

Air Rifle
Air Pistol
Trap

According with the previous distribution, 14 quotas will be allocated for our CAT tournament and another 24 during the Pan Am Games. No quotas for the new mixed teams events were considered, as all countries with individual starts can participate with a maximum of 2 teams per event. To secure a reasonable participation in Trap mixed event, was necessarily to add one additional quota to the individual events, as the chances to qualify are not equal as in the air events, fulfilling the gender equality as well.
